<b>Agency Name</b>	Nepean Blue Mountains Local Health District
<b>Principal Department</b>	NSW Ministry of Health
<b>Reporting Period</b>	1 July 2012 – 30 June 2013

Under the *Government Information (Public Access) Act 2009* (GIPA Act), there is a presumption in favour of the disclosure of Government information unless there is an overriding public interest against disclosure.

### 1. Review of proactive release program - Clause 7(a)

Nepean Blue Mountains Local Health District undertakes reviews of its information on a regular basis, including information requested via informal access and formal access channels. Liaison also occurs with Executive Directorates and their respective portfolios regarding identification of information that can be released proactively. Review of the Nepean Blue Mountains Local Health District disclosure log and websites of other agencies to see the type of information they release proactively, is also undertaken.

The most accessible way for the public to access such information is via the Nepean Blue Mountains Local Health District internet website, and this website is continually developed to make information readily available to the public. During 2012-13 the following information has been released proactively on the website:

- Information on Nepean Hospital car parking
- NBMLHD Board information
- NBMLHD Service Agreement 2012-13
- Public health information for General Practitioners/Immunisation Providers and for Community Members
- Immunisation strategy

- Media releases and alerts and statements issued to the Media
- Videos of services
- Topic news items for the public

### 2. Number of access applications received - Clause 7(b)

During 2012-13, Nepean Blue Mountains Local Health District received six new formal access applications under the *GIPA Act*. Five applications were decided, including two applications carried forward from 2011-12. Three applications received during the reporting period were undecided as at 30 June 2013 and have been carried forward to the next reporting period 2013-14.

### 3. Number of refused applications for Schedule 1 information - Clause 7(c)

During the reporting period, Nepean Blue Mountains Local Health District did not refuse any formal access applications because the information requested was information referred to in Schedule 1 to the *GIPA Act* (information for which there is a conclusive presumption of overriding public interest against disclosure).
