

Immunisation Catch-up Request Form

Please note: catch-up schedules may take up to 14 working days to complete

Practice name _____ Date _____

Staff requesting _____

Phone number _____ Fax number _____

Practice email _____

Patient name _____ Medicare Number _ _ _ _ _ (_)

Date of birth _____ Country of birth _____

Current school year (if applicable) _____

Please complete the patient's immunisation history in the table below. Then attempt to calculate the catch-up schedule on the second page and forward **both** pages to the Public Health Unit to confirm. **Both of these tables must be completed for the catch-up to be considered. Photocopies of immunisation records will not be accepted.**

The immunisation records are held on the Australian Immunisation Register. You can check the immunisation history by:

- *Calling the Immunisation Register on **1800 653 809** or*
- *Online using the Identify Individual function in AIR humanservices.gov.au/hpos*

Past Immunisation History (validated by AIR/Overseas Encounter Form)		
Date	Vaccine	Dose

Patient name _____ Medicare Number _ _ _ _ _ (_)

Immunisation Catch-up Schedule as proposed by General Practice

Date	Vaccine	Dose

All immunisation catch-up schedules should be planned in accordance with the current Australian Immunisation Handbook. Please refer to the catch-up section of the handbook (section 2.1.5).

If you have any further questions regarding this catch-up schedule or require general immunisation information, please contact Public Health on 4734 2022.

Yours sincerely,

A/Prof Bradley Forssman
Director, Public Health
28 March 2018
