# ARE YOU CONCERNED ABOUT PLAYING ONLINE VIDEO GAMES?

- Do you think you have a problem with online video game use?
- Playing too much?
- Having difficulty trying to stop playing?
- Not doing other things in life because of the time spent playing?

If the answer to any of these questions is “YES”, you may be eligible to participate in a study that looks into the patterns of online video game use. You must be at least 18 years of age and you need to be able to speak, understand and read English well.
